Malaysia
(Attention: Spectrum Planning and Assignment Division)

Dear Sir,

**RESPONSE TO THE PUBLIC CONSULTATION PAPER ON PROPOSED MALAYSIA'S POSITIONS FOR
WORLD RADIOCOMMUNICATION CONFERENCE 2023 (WRC-23) AGENDA ITEMS**

MCMC's efforts in developing Malaysia's positions for WRC-23 through the creation of National Preparatory Working Group for WRC ("NPWG") is much appreciated. The industry is fully aware of the importance of aligning the positions as it is for the betterment of spectrum management and telecommunications industry in Malaysia as well as Asia Pacific region. We applaud the structured approach and look forward to the continuous collaborations.

We are pleased to submit herewith CelcomDigi's comments for the aforesaid public consultation paper for MCMC's consideration. We will be obliged if your good office could kindly refer to Low Kien Yap (kylow@celcomdigi.com) for any clarifications.

Thank you.

Yours sincerely,
For and on behalf of CelcomDigi Berhad (formerly known as Digi.Com Berhad).
